

Register of Professional Turners

Supported by The Worshipful Company of Turners of London

You have just completed a course of instruction in woodturning with *, who is a member of the Register of Professional Turners. We hope that you have found it both useful and enjoyable. In order continuously to improve standards of tuition and to ensure that students are receiving the type of course they want, it would be very helpful if you would answer this short questionnaire, ideally after you have returned home. Please add any comments you think are appropriate, and then send the completed paper to the secretary of the Register at the address given at the end.

* Please complete.
