

# Register of Professional Turners

Supported by the Worshipful Company of Turners

Quality and Excellence

## **RPT Code of Practice**

1. Quality of work must be maintained
2. Safe working practices are followed as set out in RPT Form 13, Advisory Guidance Notes for Workshops
3. Execution of work when demonstrating or teaching must adhere to safe working practices (see RPT F13).
4. Certificate of Public and Products Liability Insurance must be held if undertaking commercial work (ie selling, teaching or demonstrating)
5. Encouraged to hand out Demonstration and Teaching feedback forms
6. Must adhere to health and safety standards (as set out in the HSE Guidance)
7. Agree to comply with the disciplinary policy and procedure (RPT Form 8)
8. Agree to comply with the complaints policy and procedure (RPT Form 9A)
9. Any member demonstrating at clubs, woodworking shows or events should always do so using best practice
10. Show an intent to responsibly source materials (ie FSE approved sources)
11. Encouraged to charge an hourly rate that does not undercut other turners
12. Charge sensible rates for demonstrations and teaching.
13. You are expected to conduct yourself in a respectful way on Social Media.
